

WEST METRO NATURAL GAS PROJECT

CONSTRUCTION NEAR YOU

Work in your area

We will install natural gas line under the intersection of Benton Street and Colfax Avenue beginning as early as Monday, Nov. 20, 2023. In

observance of the Thanksgiving holiday, crews will not work Thursday, Nov. 23, 2023, through Sunday, Nov. 26, 2023. Work will continue for up to two weeks. Schedules are subject to change.

Traffic control will be in place and through traffic will be allowed on Colfax Avenue.

During work, you may notice:

- Marking of utility lines and utility survey holes
- Road and sidewalk closures
- Traffic control
- Temporary changes to access
- Construction noise
- Parking restrictions

We'll restore work areas to preconstruction conditions as weather allows.

Thank you for your patience as we construct this important project.

Why?

We are revitalizing a portion of our natural gas system serving the west Denver metro area by installing natural gas line and constructing two natural gas regulator stations in Lakewood and Denver.

This work allows us to provide safe, reliable service, increases natural gas capacity in many metro area communities and enhances system resiliency in extreme weather.

Safety

Public safety is at the foundation of all we do. The safety of the public around Xcel Energy's natural gas system influences every decision we make.

If you suspect a natural gas leak, leave your home or business immediately. Once you are safely away, call **911**, then Xcel Energy at **800-895-2999**.
